

Native American Leather & Bead Crafting

Native American art has a timeless appeal that fascinates anyone who appreciates quality craft and design. The projects selected here are modern interpretations of traditional Native American patterns and techniques they adopt methods, supplies, and tools that are accessible to any crafter, while encouraging an appreciation for the historical significance of this unique culture. Leather working principles are demonstrated step-by-step and used to make moccasins, pouches, and vests, and patterns are also included for more complex garments such as a Southwest Rosette Shirt and a Chippewa Inspired Beaded Jacket. Many jewelry items are also featured from a Turtle Fetish Necklace to a Zig-Zag Ankle Bracelet. While the inspiration for these designs may be centuries old, they still remain hugely fashionable!
