

Northern Webster County from the Air

This 64-page hardback, full color book is set to be released in early 2010. There are over 100 photographs of Northern Webster County, including Marshfield, Niangua, Elkland, Northview, and Rader. These photographs were taken by Todd Revell and myself at various times over the past year. The book is finally complete and is being published by JEC Publishing Co. in Springfield, MO. The majority of the photographs in this book are aerial pictures of each town, several country churches and other interesting sites in Northern Webster County.
