

Nowhere Safe (August and September Rafferty)

She senses their twisted desires before she meets them. Its as if fate is helping her stop these monsters from preying on others the way she was preyed upon. And after she has delivered brutal justice, shell let the whole world see their guilt.I must pay for what Ive done. The first victim-naked, bound, frozen to death-wore the note strung around his neck. Now theres another note-this one attached to Detective September Raffertys own stepbrother. Stefan survives, but September is sure he knows more than hes saying. Someone is eliminating suspected sexual predators. And the only thing more dangerous than a madman is a killer whos ruthlessly sane.Racing to predict the next target, September finds herself drawn into a harrowing and deeply personal case. For this time, there are no innocents-only the one who kills, and those condemned to die ...
