

The Mate: Chosen by the Alpha (Werewolf Romance) (Smutty Shifter Shorts Book 1)

A dark night and a full moon...just the right time for an Alpha to chase and claim his mate. Bridget, a feisty bartender, has locked up for the night and started heading home down a wicked path that leads through the woods. Distant wolf howls slink closer bit by bit, until she can almost feel their breath on her neck. It seems the further she goes, the closer they get. Until they're right there next to her. A desperate escape takes her to a forest meadow, where the pack surrounds her. To her surprise, they desire something rather surprising from her - the Alpha has chosen her to be his mate. It is a small bit of solace that the Alpha is the man she has long had her eye on - the dark and dangerous Varo. Will Bridget find her happiness in the strong arms of the shifter Alpha?
