

## Office Teamwork: Multiple Partner, Group Fun, Bisexual Workplace Adventures (Everyone Loves Lucy Book 2)

Curious to see what happens to Lucy next? You won't be disappointed. She is asked to please a group of four important male guests, who team up with Eric Morrison and show Lucy how it's done, even if it involves the back door. And after the meeting, Emily asks Lucy to lend her a helping hand, but they get in trouble with the strict office manager for comforting each other in a public place. Plus, it seems one of her new bosses may be falling for her charms, and the feeling is most definitely mutual. Authors Note: This book is a part of a longer novella, delivered in a serial format.
