

The Men with the Golden Cuffs, Masters and Mercenaries, Book 2 (Volume 2)

A woman in danger Serena Brooks is a bestselling author of erotic fiction. She knows how to write a happy ending but hasn't managed to find one of her own. Divorced and alone, she has no one to turn to when a stalker begins to threaten her life. The cops don't believe her. Her ex-husband thinks she's making the whole story up. She has no one left to turn to except a pair of hired bodyguards. They promise to guard her body, but no one can protect her heart. Two men in search of love Adam Miles and Jacob Dean are halves of a whole. They've spent their entire adult lives searching for the one woman who can handle them both. Adam is the playful, indulgent lover, while Jacob is the possessive, loving Dom. When Serena comes into their lives, Adam is certain that she's the one. But Jacob's past comes back to haunt them all. He is suspicious of Serena's story, and his concerns are driving a wedge between him and Adam. But when the stalker strikes, they will have to come together or lose each other forever
