

On His Knees (M/M erotica)

When Dylan is caught in a compromising situation, his mother gives him a choice: either go to a pray away the gay camp or get no financial support for his upcoming years at university. Fearing a mountain of debt, he begrudgingly agrees to attend the Connections Renewed Camp. Unsurprisingly, his experience is terrible - until he meets Jack, a fellow college student who seems like he doesn't fit in at the camp. Dylan can't help but be drawn to him and the mystery of what his true motives for being there are. Will Dylan be able to go against his mother's wishes and pursue a relationship with this man? Warning! This 6200 word gay erotica short contains adult content and is not meant for those under the age of 18!
