

Bent Over His Desk: Hot Office Kink

If you wished the film *Secretary* went all the way, this explicit erotic ebook featuring eleven wild, smart tales of kinky office sex gives you what you need. All the things we wish we could do to -- or with -- that hottie at the office, but cant in real life, become a reality for the vivid characters in this eleven story collection. Each story immerses you into a workplace where rules are broken, collars are mussed, and erotic punishment is swift -- and satisfying. Bestselling editor and author Alison Tyler applies her erudite erotic curation skills to the topic of sex at the office, resulting in a volume of stories equal parts sexually explicit and utterly compelling. These splendidly kinky tales of sex at the office twist, turn, arouse and inspire in ways that only todays bestselling erotica authors can deliver: Tyler brings together experts of the craft including Sommer Marsden, Alison Tyler, Thomas S. Roche, Sophia Valenti, Dante Davidson, and more. I had this whole big thing planned out; I was going to chastise her for flirting with me, threaten her with some sort of civil charge of sexual harassment, blah blah blah; I had a whole huge monologue in my head, to be delivered while I bent her over my desk and gave her the spanking she so richly deserved. But when I saw her complete absence of peach-colored panties, a spanking seemed pointless. by Thomas S. Roche, from *Peach-Colored Panties* This books contains adult situations, including spankings, female submission, backdoor play, bisexual women, and explicit scenes. The book also depicts non-monogamous relationships and sexual activity (and penetration) involving more than two individuals. Heterosexual focus.
