

Online Family: Your Guide to Fun and Discovery in Cyberspace

Plan a complete family vacation on the Internet. Learn how to keep your kids safe online. Get news and reviews on family-oriented movies, television, and music. Find out where to go for help with homework. This user-friendly, jam-packed guide is a great resource for finding the best family-related sites on the Internet. Preston Gralla, author of *Online Kids* and a leading authority in the field of family computing and Internet resources, explains how families can best access and use cyberspace. His expert advice covers everything from choosing the right online service and navigating the World Wide Web to sending e-mail, using newsgroups, and keeping safe online. You'll discover the best places to go online for current events, entertainment, and up-to-the-minute information on vacation and travel, home improvement, games and hobbies, finance, parenting, and much more. Each chapter includes dozens of useful site listings. Put the awesome potential of cyberspace to use for you and your family!
