

Outlook 2013 Absolute Beginners Guide

Make the most of Outlook 2013 without becoming a technical expert! This book is the fastest way to learn Outlook and use it to efficiently manage all your contacts and communications! Even if you've never used Outlook before, you'll learn how to do what you want, one incredibly clear and easy step at a time. Outlook has never, ever been this simple! Who knew how simple Outlook 2013 could be? This is the easiest, most practical beginners guide to using Microsoft's incredibly powerful new Outlook 2013 program. Simple, reliable instructions for doing everything you really want to do! Here's a small sample of what you'll learn:

- Regain control and automatically get rid of junk email
- Make email more efficient
- Create appointments, events, meeting invitations, and reminders
- Publish and share your calendar
- Manage contacts, Facebook friends, and LinkedIn connections with People Hub
- Use Tasks and To-Do Lists more effectively
- Sync Outlook data across multiple devices, including smartphones and tablets
- Make the most of Outlook together with Exchange and SharePoint
- Use Peeks to instantly find what you need without changing views
- Track your life with Color Categories, Folders, and Outlook 2013's improved Search
- Run mail or email merges from within Outlook
- Efficiently manage and protect your Outlook data files
