

Pathfinder #3

Valeros and his companions have captured one of the cultists behind the strange magic that grips the goblin tribes of Varisia, but their prisoner may not be as helpless as they seem. Making matters worse, the group must cross through the haunted cemetery known as Paupers Grave, luring them into the paralyzing touch of flesh-eating ghouls. Paizo's incredible award-winning fantasy world, fiction line and tabletop RPG is now the ultimate fantasy comic from Dynamite Entertainment. Includes over 5 pages of character profiles and Pathfinder RPG game statistics.
