

Caraes Touch (Long Line of Love Book 4)

Revisit the Grayhawk Clan With the death of the woman he considered his sheenea or perfect mate Brandon Grayhawk lost all hope of ever living happily ever after. Or so he thought. Then he meets Carae Harrington who immediately captures his attention and leaves him questioning his belief that he could only have one true partner. Nevertheless, Brandon knows hes carrying too much emotional baggage to offer Carae anything but heartache. Driven by an emotional and physical attraction shes powerless to dismiss, Carae decides to risk her heart and her sanity to help him move on. After several false starts and disappointments, she believes she and Brandon have a future together. Instead, shes shocked to hear from his ex in a way that drives a wedge between them and threatens to derail their fragile relationship when she needs him most. 61,900 words
