

Worshiped By The Bear Kings: Part Three (Paranormal Saga Book 15)

With the Uthuro tribe being held as prisoner, the black bear leader wants Thunder and Spike to reconnect with an old ally of theirs in a bid to hold a meeting for the unity of all shifters. Thunder knows this is the only chance they have to save their tribe. Spike wants no part in it. The cousins go their separate ways as Jasmine is abandoned and left alone with no sense of belonging or protection. Ahead of her, dark forces are on the brink of making their move to capture her, as she has already been forewarned. Still there is time, and a chance for her to escape. But will she?
