

Shifters Vignettes: Ian and Jeanne: A Vampire Story... (Louisiana Shifters Series Book 6)

Timid brunette Jeanne Skylar has learned a secret about hottie-next-door Ian Schulver: he's a bloodsucking vampire, an ever-living myth, and an irresistible impossibility. After catching him red-fanged, imagine Jeanne's shock to find smoldering Ian at her doorstep. Fear quickly accedes to the presence of passion; as their bodies are stripped bare of clothes, so too are Jeanne and Ian stripped of the secrets that will ultimately and eternally bind them together or keep them apart. At just over 10,000 words, this racy romantic short story gives all the thrills and chills of a full-length romance... just packed in a delicious bite-sized package. Perfect for a lazy afternoon, a great beach read, or as inspiration for your own passionate side.
