

## Once Upon a Plaid (Spirit of the Highlands)

A wife may be courted, too. . . Many would count Katherine Douglas fortunate indeed. Laird William Douglas is broad-shouldered, gentle-handed, everything a lass could dream. But after four years of marriage, Katherine still knows little of what goes on in his heart. And she has yet to bear him an heir. The distance between them is too great--and so she flees over the snowy highlands to Glengarry Castle, home of her childhood, to set her husband free. But William won't let his wife slip away without a fight. Before long, he's at her father's threshold himself, witness to the rumbles of discontent in Glengarry, the bright joy of Yuletide at a family hearth, and the hidden needs of his own beloved. . . Praise for Mia Marlowe and her novels I absolutely loved it! --Victoria Alexander on *Touch of a Thief* A wonderful tale for Christmas. --New York Times bestseller Hannah Howell on *Plaid Tidings*
