

Alexs Appeal (Kindred Spirits)

A bear of a lawyer in mourning, a handsome young chef who falls head over heels, and a mystery that threatens their happiness are just the beginning of the events at Whiskers Seaside Inn. Lawyer Alex Brookfield arrives at Whiskers Seaside Inn with a big decision weighing heavily on him. Hes been offered a judgeship, and while its an incredible promotion, it would mean leaving the house he shared with his late, long-time partner. Russ died of cancer eight months ago, and although Alex is ready to move on, he isnt sure about such a big, permanent step. Logan Emerson is the inns chef, and wouldnt mind cooking up something special with the handsome attorney. Hes not concerned about their fourteen year age difference. He just knows what he likes and isnt afraid to go after the hunky bear of a man. Alex heard stories about the inns ghosts from its owner, his friend and former lover Ethan Roberts. But hes totally unprepared for the spirit who shows up his first night there. Between futile attempts to fend off the frisky young cook, and his offer to help inn co-owner Cade Wyatt come up with a romantic marriage proposal for Ethan, Alex finds his hands, and his bed, quite full.
