Buck Trungle is a world famous writer who is sick and tired of living in the shadow of his own books. But when his most recent novel, Pounded In The Butt By My Own Butt contacts him out of the blue and threatens a lawsuit, its a fear that Buck must now face head on. Bucks novel is looking to collect royalties on sales of himself, and Bucks lawyer is urging the writer to settle out of court, but when author and book finally meet face-to-face things take a turn for the erotic. Soon enough, Buck is selling himself to seal the deal with this sentient novel, but can he give his ass away without giving a piece of his heart, as well? This erotic tale is 4,500 words of sizzling human on gay book action, including anal, blowjobs, facials, rough sex, and litigious living novels.
