

Cosmic Bounty (Quads of Galafrax Book 1)

Galactic warriors Gol, Hul, Riv and Ric of Galafrax, rescue a shapely female from a slave trader, while wandering the interspecies market. Her pale beauty stirs their lust, and her accepting nature softens their hearts. All four brothers agree she belongs to them forever. Stolen from Earth by greedy alien traders, Kat is sold to not one, but four, large muscled, alien soldiers. She's shocked to discover they plan to share her! With their sexy red skin and gentle seduction, Kat finds it impossible to resist. All too soon, she loses her heart to the brothers. When they take her to Galafrax, she struggles to learn about her newly adopted planet, but other forces seek to tear her from the men. Her quads will do anything to get her back between them, where she belongs.
