

Preuptial Agreements: How to Write a Fair and Lasting Contract

Marriage is one of the few personal contracts in which your state dictates the terms -- unless you create your own customized premarital agreement. Combining Nolos legal expertise and plain-English writing, Prenuptial Agreements makes a potentially touchy subject easy to deal with while explaining how to create a valid contract. The book covers: *the basics of prenups *whether a prenup is right for your relationship *how to decide what a prenup should include *every states laws about prenups and marital property *how to assemble a draft agreement *how to turn your draft into a contract *tips on negotiating and communicating Prenuptial Agreements provides worksheets to help you and your fiance determine what your prenup should cover, plus clauses for preparing an agreement that suits your needs.
