

Constitutional Law: Principles and Practice, Loose-Leaf Version

Specifically written for paralegal students, **CONSTITUTIONAL LAW: PRINCIPLES AND PRACTICE**, 2nd Edition identifies and explains the concepts behind constitutional law and connects them to everyday experiences both inside the law practice and out. Carefully edited for non-lawyers, the major cases presented show how the Supreme Courts decisions impact lawyers, lawmakers, and the general public, while breaking down legal complex concepts for you to grasp more easily. Each chapter also contains learning objectives, review and analysis questions, and vocabulary terms to build your confidence with the material, and demonstrate the ways paralegals perform in the workplace. Focusing on practical application, **CONSTITUTIONAL LAW: PRINCIPLES AND PRACTICE**, 2nd Edition offers multiple hands-on opportunities to help you excel. Helpful appendices include samples of commonly used legal documents, while information-packed readings deliver hypothetical cases, ethical dilemmas, and end-of-chapter assignments designed to hone your analytical skills.
