

Quick & Clever Acrylics

Quick and Clever Acrylics is a comprehensive introduction to painting with acrylics presented in the quick and clever approach, making it suitable for newcomers to the medium. This book explores the full potential of acrylics, which are used by a wide variety of artists for painting on paper, canvas, hardware, etc. Each chapter explores painting a popular subject - starting with technique-focused exercises before moving into a step-by-step demonstrated painting. The focus of the steps is to get top results with acrylics in a short amount of time making acrylics easy, fun and fast.
