

Rachels Awakening Part I Shower Head

Rachel has lived beneath her husbands shadow long enough. Finally free, she begins a journey of sexual awakening with her friend Sandy, exploring the limits of her sexuality. An innocent trip to the local gymnasium soon evolves into a steamy sexual adventure, and Rachel is all too willing to succumb to the guiding hands of Sandy and the hot instructor James.

Extract: Sandy opened the door and grabbed my hand. Dont be silly well share come on. I glanced around the shower room, it was empty but for us. Oh, who bloody cares anyway? Sandy turned on the shower, it squirted an initial cold jet of water and we both squealed like silly girls before sniggering and giggling behind our hands. Sssshh people will wonder what were doing, I said. Oh fuck them. We hung our towels on the little metal peg and stood under the warming jet of water. We should have, or more pertinently, I should have been embarrassed at the nearness of our nakedness, but wasnt, not at all. Soap time, I said, moving from beneath the shower. There was a plastic bottle with a little plunger on the wall free soap! I suppose you must get something for the hefty membership. It smelt pleasant enough and I squeezed out a good palm-full. I began to feel liberated, bohemian even, as I stood in front of my best friend and began to lather my body. It felt good. I turned away from Sandy as I soaped my breasts and dabbed weakly at my pussy, I was not yet that uninhibited. For crying out loud, Sandy said. I cant say what I felt at that moment, whether it was shock, or excitement, or maybe a subtle blend of the two. Anyway, I didnt speak, or resist, as I felt the touch of Sandys nipples at my back and the wetness of her hand as it slipped over the slick soapy surface of my tummy and below to my smooth hairless mound. I must have seemed about to speak or cry out, or breathe sharply because Sandys voice came suddenly soft and close to my

ear. Hush baby relax with me. Warning: This erotic short includes explicit scenes that include oral, anal, and menage sex. It is for adults only.
