

One Rogue at a Time (Rakes and Rogues)

As the illegitimate son of a duke, Bramwell Wesley Hallowsby grew up tough, on the fringes of society, learning to hide his hurt and cynicism with charm and Town polish. He's carved out a place for himself as a mercenary, serving as bodyguard and general strong arm for the peerage. Bram has nothing to lose, and he's exactly what Maybelle Bluebell Ballenger needs. Maybelle needs a mentor to teach her to speak and act like a lady, so she can claim the place in society she was denied. As they team up to take on the ton, Bram knows that she's hiding something even from him. Despite the deception he sees behind those sparkling blue eyes, Bram wants to believe that Maybelle's love is no lie. But it seems that fate has served him up his just desserts in the likes of this determined damsel. Contains mature themes.
