

The Games (Dystopian, Fantasy Erotica)

Its been three years since Carrie returned from The Games, where the government pits young adults against one another in a giant annual fight to the death. Everything is starting to get back to normal, and all Carrie wants to do is meet a man and care for her family. Just as she put her past behind her, Carries life is turned upside down once again when The Royal Guard march into her town and announce that this years Games will be a special one-- An All Stars edition. Now, Carrie needs to forge some alliances, which means putting her special skills to the test. All of the characters in this work of fiction are over the age of eighteen.
