Special discount: \$3.99 for four stories, each of which normally sells for \$2.99. That's a \$6.97 discount! This book contains the following monster and mythological erotica: **Taken by Cerberus:** A young woman encounters the mythological three-headed hound and protector of the Underworld, but he is no ordinary dog. With the heads and certain other anatomical parts of men, he ensures that she's in for a far greater adventure than she bargained for. **Mated to the Kraken:** An innocent young woman stows away aboard a ship filled with corrupt men, expecting to have an interesting time at sea, but little does she expect the mate that she'll end up with; one with many tentacles, who seems bent on giving her intense physical pleasure. **Jack and the Tentacle Stalk:** A young man makes a bargain for some magic beans, which lead to a creature growing through the roof of his house into the sky. The inexperienced Jack quickly learns what it is to have one's every sense aroused, quite literally. **The Twelve Lovers of Hercules:** The Nemean Lion Hercules is punished for his sins: he must endure twelve labours. The first is to slay the Nemean Lion, but when he meets it he discovers its ability to shapeshift into his heart's desire, and he finds himself torn between his task and his carnal urges.
