

## Handcuffs and Pretty Things (Rawlings Men Series, Book Eight)

Rawlings Men Series, Book 8 Almost every man in the Rawlings family is a cop. Almost. Dane Rawlings likes the finer things in life. As a successful antiques dealer, imposing law and order upon society isn't one of his main concerns. But that doesn't mean he can't appreciate the appeal of a man with handcuffs. Ross OSullivan has worked with lots of Rawlings men, none of them prepared him for Dane. When he's asked to babysit a Rawlings outside a suspected arson attack, he expects his charge to be tall, dark and handsome. A petite, delicate and pretty Rawlings comes as a shock, and it's not the only shock Dane has in store for him.
