

## Microsoft Office PowerPoint 2007 Brief (OLeary)

The OLeary Office 2007 text is crafted to allow students to easily develop Microsoft Office application skills. The text design emphasises step-by-step instructions with full screen captures that illustrate the results of each step performed. Each Lab, designed to be covered in 1 hour of class time, combines conceptual coverage with detailed software-specific instructions. Each Lab opens with a running case study that highlights real-world applications of each software program and leads students from problem to solution.
