

## My Highland Love (Highland Lords) (Volume 1)

How does a woman tell her betrothed that she murdered her first husband? Shipwrecked in the Scottish Highlands, American heiress Elise Kingston quietly plans revenge for the deaths of her daughter and the brother who sacrificed his life to save her. When Marcus MacGregor, Marquess of Ashlund, returns to his Highland home to discover a stunning American woman has been taken in by his clan, his attraction is instant and he resolves to make her his--no matter what secret shes keeping. Elise is shocked by her need for Marcus and, too late, discovers that her feelings make him a target of her enemy--a man powerful enough to destroy even a Scottish nobleman.
