

Complete Idiots Guide to High-Speed Internet Connections (The Complete Idiots Guide)

Tired of slowpoke modem connections to the Internet? Baffled by the alphabet soup of TCP/IP, DSL, FAP, and other Internet jargon? Looking for the easy, authoritative, friendly way to choose a broadband Internet connection that won't take you to the cleaners? The Complete Idiot's Guide to High-Speed Internet Connections is exactly what you're looking for! You'll find complete, easy-to-understand coverage of leading broadband solutions such as DSL, cable modem, ISDN, fixed wireless broadband, and satellite-based services. Wondering which service is the best buy for you? Not sure if you can connect your favorite broadband service to your computer? Wondering if you can share your broadband connection with other users and still keep intruders out? Wondering how easy a self-installed broadband solution really is? Wonder no more! This book is the book you've been looking for!
