

## Curves and Spurs: Taming Rebecca (BBW Cowboy Erotic Romance Book 3)

Taken by Carl and Jamie, two of Fort Charless rough-and-tumble cowboys, Rebecca Smith realizes that being with one man at a time isn't enough. The ranch owner and his right hand man are intent on introducing Rebecca to the sordid pleasures of being touched by two men at the same time. As they stake their claim to Beckys heart and soul, she begins to suspect that they have a plan for her curvy, enticing body. A plan that would tie her to Gray Oaks Ranch forever. \* \* \* You--you're totally plotting against me! He laughed. Not against you, he said, picking up his clothes and walking towards the truck. Not at all. So you admit it, I insisted. You two are making plans. Its just what sensible family men do, he said, tossing his clothes into the truck. He turned back to me with a smirk on his face. Ill have no part in it, I said, automatically. He merely grinned and stalked towards me. Is that what you think? He pushed my wet dress off my shoulders. This dress, he murmured conversationally, is totally soaked, Becky. Looks like well have to take it off you and let it dry in the sun...cant drive back to the ranch with a naked woman next to me, at least in broad daylight. He winked. Guess were stuck here for now...damn, I wish I had something to do. The dress fell to my waist, and Jamie worked it down over my wide hips. You, I said, youre crazy if you think Ill have any part in this. He grinned. I can tell by the look in your eyes, sweetness, that you want it. \* \* \* Click on the cover to Look Inside for a red hot preview!
