

Secrets for Seducing a Royal Bodyguard (Renegade Royals)

Accomplished spy Aden St. George prefers to stay away from the frivolous ton, especially after the way his mother was used by the Prince Regent. But his latest mission compels him to guard unconventional, vibrant Lady Vivien Shaw. Rescuing her from kidnappers was easy. Resisting her beauty is not. Duty demands he keep an eye on her, and naturally, his lips soon follow. For someone who views entanglements as a weakness, this is pure, delicious folly. Though grateful for Adens help, Vivien has secrets she must keep hidden. Yet with her abductors still at large, she needs Adens protection almost as much as she craves his touch.
