

ReTaken by the Monsters: Amys Odyssey

The Monsters are back for the final time! This is a work of fiction. Names, places, characters, and situations are the products of the authors imagination. Any resemblance to actual persons, living or dead is purely coincidental. All characters portrayed in this book are 18 years of age, or older. **WARNING:** Contains graphic and explicit sexual content and situations. This book is not intended, and should not be viewed by anyone below the age of 18. Its finally here, the long awaited conclusion to the Taken by the Monsters series! Amy returns in this final installment of the Taken by the Monsters series when she is thrust into the grasp of a shadowy government agency. With nefarious plans for Amy and her pups, they simply and inexplicably let her go. Seeking out the only person who might have answers, her friend Tina whom she abandoned to the monsters so long ago, Amy is determined to get to the bottom of their plans. But can Amy find the now hidden entrance to their caves, and will Tina even welcome her if she does? What does the government want with her pups? And can a new threat to the monsters be their ultimate undoing? As she wrestles with her own dormant feelings toward the monsters, can she fend off her hidden desire long enough to save Tina and the very beasts she vowed would never to take her again. Only for readers 18 years or older. All characters portrayed in this story are 18+. Contains approximately 20,600 words of explicit sex with monsters.
