BENJAMIN WAVERLEY, second son of the Duke of Townsend, knew hed never marry. How could he? The moment some unsuspecting female took his name, the world might find out the despicable secret his family had been keeping and hed be ruined. As far as he was concerned, his lot was cast. He would play the rake and that would be that. Until his father forced his hand in a marriage he knew would destroy not only him but his brilliant and beautiful bride. LADY RACHAEL NEWTON, daughter of the Earl of Kendrick, refused Benjamin Waverleys proposal not once but twice. Hed never have offered for her hand if hed known the secret she kept from the entire world. Even her parents didnt know. Her weakness had ruined her once, but if her greater secret were found out her entire family would themselves suffer ruin. She wouldnt have it. But then, the matter wasnt hers to decide.
