

Riding Dirty (Sensual Hitchhiking Adventures Book 3)

For Cassie Cooper Its Hollywood or Bust
Cassie Cooper At one time or another most young women have had fantasies of being a Hollywood actress, and Cassie Cooper is no exception. Setting out on her own for LA, she discovers that she doesnt have enough money for a bus ticket. A resourceful young woman, she heads out on the highway to thumb her way to Tinsletown. Shilo Smith A director of sorts is on his way home from a location shoot when he spies a vibrant young woman on the highway with vibrant cherry red hair and emerald eyes. Having a reputation for bedding young starlets, he cant let this one go by. Is this Cassies lucky day, or Shilos lucky night? And, will Cassie land a starring role in Shilos next film, or just his bedroom?
