

The Right Way to Draw People: Including Cartoons and Caricatures

Mark Linley here proves again that YOU can draw and DRAW WELL! He will get you speedy RESULTS and make drawing people fun! First you map the outlines for the complete form. The shape of the head, the body, the arms, the legs, - all flow into that form, in proportion, before any detail is added. Then you advance (with bags of Linley encouragement!) in easy-to-follow steps that bring all the features alive. And, as you go, you acquire with ease all the special techniques for adding the finer points. One thing is sure. Within moments of opening this book you will be drawing people and amazing yourself and friends with your success!
