

Slammed In The Butt By My Hugo Award Nomination

When Tuck Bingle receives an email explaining that he has been nominated for science fiction literature's most prestigious award, he is left utterly confused. On one hand, Tuck is a successful writer of gay, science fiction erotic, but on the other, this email is addressed to someone by the name of Chuck Tingle. Tuck replies, but his message is not delivered because the recipient exists in another layer of The Tingleverse, a revelation that will take Tuck on a journey into the deepest realms of his butt's heart. Soon, Tuck is breaking fourth-walls and anal limits, pounded hard by a handsome sentient Hugo Award nomination named Kelpo and learning the true meaning of homoerotic love! This erotic tale is 4,500 words of sizzling human on prestigious award nomination action, including anal, blowjobs, rough sex, cream pies and gay interdimensional love.
