

Rock Hard: A Stepbrother Romance (Extreme Sports Alphas)

My stepbrother is Rock Hard and Im losing it ... Reid Clumber Conway is the best mountain climber on the West Coast. They say hes harder than the steep cliffs he climbs up. And ever since high school, I havent been able to get his cocky smile and his ripped body out of my head. Worst of all, no matter how much I hate him, hes my stepbrother. There are some scary rumors about Reid, rumors involving drugs and the mob. Despite that and despite our past mistakes, I cant help but blush at every dirty comment he makes at my expense. Hes famous for fingers that bend steel and break hearts. I dont want to let myself get anywhere near him. Im a good girl, the first person in my family to go to college. When I get sucked into his world, its fast and intense. I find myself doing things I never imagined. Reid is an a**hole. But hes more than just his rock hard body. I need to find out what hes hiding before the mob catches up to both of us. ROCK HARD is fast-paced violent, blush-worthy sexy, and features a hero with a filthy mouth. Its only recommended for audiences 18+. ROCK HARD is a standalone, full-length novel. No cliffhanger. Guaranteed HEA.
