Daring BBW Journalist In Trouble+ Too Hot To Handle Undercover Puma-Shifter + A Blast From The Past & A Bad Guy Acting Too Fast+ Passionate Nights & Guilty Pleasures= One Action-Packed Yet Hot & Wild Shifter Romance! Simon Tall, dark and handsome, that's just the plainest way to describe Simon's brooding-good looks. Fearless, strong and dominating, the undercover agent prefers to play it alone. With terrible experiences in the relationship department, the hunky puma-shifter least expected his latest mission to bring him such a beautiful trouble. Sure, Simon likes being respectful to women, but the sexy shifter demands complete control in the bedroom, especially when it's about taming the feisty woman who is now in his possession. But, with a blast from his past and the leader of the criminal world making things more complicated than they need to be, the wild cat romantic adventure will only get more intense and steamy! Whitney Daring and ambitious, Whitney is an eager reporter who least expected to end up a victim in one of the greatest criminal stories she initially intended to cover. If getting drugged and being put up for auction to a bunch of depraved humans was the worst of her nightmares, the curvy journalist has no idea what this irresistibly sexy stranger plans to do to her. It doesn't matter how gorgeous he is, the man is clearly part of the horrendous crime and now her master. And to add to her worries, a single glimpse of this bad guy has flames licking at her body! With his beast growing more restless and urges getting wilder, Simon is more than eager to show Whitney what it really means to be Bought By The Puma! Note: Adults Only!
