

Down With The Bear Swirl (BWWM Werebear Menage Romance)

Jurgen pushed me down on the table, his golden eyes holding mine as he descended between my legs. I thought this would be easy. Just some yoga a few mornings a week. Ancient women do this. Children do this. I can do this, I told myself. Well, it wasn't. Every morning, I'd show up to class, bend myself into a pretzel, and feel like a failure. Of course, it didn't help that the gorgeous Bear Shifter stud Cal couldn't keep his eyes off me. No matter what I did, whenever I looked up, I felt my instructor's golden eyes looking at me. Leering at me. Undressing me with his eyes. Smelling my desire and arousal. All I wanted was to jump his bones, to ride his pale muscular body until I couldn't move. But little did I know that I'd also get to know his friend. That's right, the holy grail: the Double Swirl!
