

Fated for the Alphas: Part Four (BBW Werewolf Menage Paranormal Romance)

While Lia is bathing alone, lost in daydreams, she's cornered by a rival Alpha. Shade doesn't care that she's already bound to two Alphas, or that she's perfectly happy with the Twin River pack. He wants to claim her, and he'll stop at nothing until he has her. Kane and Ronan may have a treaty with Shade, but that doesn't mean he'll play by the rules. This is the fourth part of a complete story. Not a standalone. Cliffhangers abound. For adult readers comfortable with menage romance, as some installments contain explicit scenes with multiple partners.
