

Her Rare Billionaire Mate: (Werewolf Shifter Alpha Male BWWM Romance) (Contemporary Paranormal Romance Short Stories)

****FREE with KINDLE UNLIMITED****A hot and sexy werewolf shifter BWWM romance perfect for fans of Terry Bolryder and Milly Taiden* Ian was always an incredible man. In addition to being one of the sexiest and most wealthy men Id ever met, he donated an unknown painting by a famous artist to the little gallery where I worked. He was a man with art on his lips and desire in his eyes, and I knew that I had to do whatever it took to get close to him. The more I saw of Ian, the more I wanted. He was just like that, a perfect drug, the perfect antidote to my quiet, boring life.I thought everything was perfect until I started learning some of Ians deep, dark secrets. You see, Ian isnt just an ordinary guy. Hesdifferent. Some might call him a monster.But to me, hes just my perfect boyfriend, even if he is a little dangerous.When unseen forces began conspiring against us, I knew that I had cause to be worried. Ian swore that he would always protect me, but I wasnt sure if our love would survive the threatening presence that wanted to tear us apart.
