Book 1: Tanner Grace I'm a doctor and my job is to save people. My life is way too busy for men. When the hot-as-hell outlaw, Tanner, lands on my operating table, I'm bound by my oath to save him. I can't stand his cocky attitude and arrogant charm. He believes he's God's gift to women. All I can do is roll my eyes and refuse his advances. Trouble follows him wherever he rides and I can't get involved but the blazing fire behind his eyes, his hard body against mine. Tanner My only love is the road and women are just pit stops. I wake up in the hospital after another bar fight and she's standing over me, busty, and begging to be touched. But she thinks her degree makes her better than me. To hell with her. My MC is my life and my brothers always come first. So why the f**k am I letting Grace get so close?

Book 2: Caleb Emily I'm the new Sheriff and my job is to protect and serve. But this town doesn't think a woman can handle it. I'm going to give 'em hell. When the hotshot outlaw, Caleb, swaggers into my office, I'm ready to put the cuffs on him. I can't stand his cocky smile and ink-covered body. Caleb believes he's above the law and I'll lock him up if he goes too far. I can't let his bad boy charm get to me but that desire raging in his eyes, his rough hands bending me over. Caleb I'm hardwired to f**k and forget. All-out war is inevitable and the new Sheriff thinks she can stop it. Brunette, busty, and begging to be pounded, Emily thinks she can control me. I'll take her once and throw her away like the rest of the trash. War is coming and not even Emily's sexy-as-hell body can stop me.

Book 3: Mason Blazing hot, inked, and filthy. Mason is every naughty girl's fantasy. His dark eyes watch me with a hunger. The way his

rough hands hold me down... his soft lips on mine. He taught me how to use my body in ways I never thought possible. But hes also my captor. I swore Id never get in the middle of this MC war. But I had no choice. Mason is going to use me to win. What a f*cking prick. Im falling for him hard but he doesnt give a sh*t about me. Only his MC. I need to escape before Im too far gone...
