

Extra Credit (Sex Education Book 2)

Okay, so you slept with your Professor. Your hot, handsome and dominant Professor whose voice is like spun sex. Could you fault a girl for that? No way! But now he wants to take it all a whole lot further. With an experiment in front of the whole class and whoever else wants to turn up. Experiments can be fun, right? Guess that means its time to rise to the challenge. If only to see the Professor rise too. Life is all about what you get from it, and if being a good girl and doing as you're told gets you another night of forbidden passion with the sexy Prof why the hell not?
