

Rumors: The McCaffertys: The McCaffertys: Thorne//The McCaffertys: Matt (The McCaffertys Boxed Set Book 1)

The McCaffertys: Thorne When Thorne McCafferty rushes home to the family ranch, he is thinking only about whether his sister Randi will survive the car wreck that has put her in the hospital. He never expects that Randi's E.R. doctor will be Nicole Stevenson. Nicole has never forgotten the teenage passion she shared with Thorne or the sting of his unexplained rejection. Now she's all grown up but he still affects her in the very same way. Will they both be able to move beyond their pasts for a second chance at a happy ending? The McCaffertys: Matt Matt has never met a woman who wouldn't succumb to the McCafferty charm. But beautiful Kelly Dillinger, the cop assigned to his sister's hit-and-run case, proves indifferent to his attention. Her all-business attitude pricks his ego and fires up his blood. The more she resists, the more determined he becomes to break down her defenses. Matt might think that law enforcement is no place for a lady, but he might soon find himself making a plea for passion.
