

Possession: The Governors Daughter Part III (The Governors Daughter Serial Romance Book 3)

Shall we christen the new bed? Peter murmured into my ear. I suppressed the shiver and broke away from Jamie, turning my face to kiss Peter over my shoulder... Kennas life is looking up. Shes finally moved out of the governors mansion, and more independence means more private time with her two boyfriends, Jamie and Peter. But just when things are going smoothly, their unconventional relationship hits another snag in the form of Jamies ex-fiancee, Audrey Burns. Her appearance unearths a host of long-buried insecurities, affecting Peter the most. After all, its not easy sharing a girlfriend with a millionaire, and his resulting feelings threaten to tear the trio apart. Once again, its up to Kenna to set things right, and it wont be easy. Theres the growing media scrutiny, her mothers constant bad attitude, and--like she needs something else to worry about--the sudden realization that her father may not be the man he seems... This 15,000 word novella contains mature language and explicit scenes. It is the final installment of an erotic romance series, but can be read as a standalone story. Intended for readers 18 and older. Excerpt: Jamies hand drifted across my lap and closed over my fingers. I always marveled at how much larger his hand was compared to mine. It took my breath away. Lets not talk about that stuff anymore, I said. Deal. Jamie grabbed my shoulder and pulled me toward him. He kissed my neck. I turned my face toward Peter and beckoned for him. He rose from his seat and crossed the room to sit on the other side of me. Jamie pulled back just as Peter leaned over to swipe his lips over my earlobe. I pulled off my shirt while Jamie unbuttoned his. Then, both men pressed against me, their lips groping for the naked parts of my skin. Peters blonde head curved into my cleavage, and Jamies mouth opened wet and hot against my shoulder. I sighed lightly, my heart beating faster and faster. All thoughts of Audrey were gone,

replaced by a raw, primal hunger.
