

The Wanton Wager (A Naughty Novel of the Well-Endowed Doctors Dirty Deeds) (Forbidden Temptation)

There are things in life which tempt us, even though we know they shouldn't. Terribly naughty and forbidden desires that we keep hidden in the recesses of our minds... Those dark secrets that should never see the light of day... After the handsome, wealthy Dr. Fabian Rockards wealthy chum overhears a conversation in which the doctors daughter, and her four attractive friends vow to keep their purity intact until starting college in the fall... The lewd friend makes a bet with Dr. Rockard to see if the mature man of medicine can rid his daughters beautiful, untouched best friends of the virtuous promise they made to each other one by one in the most pleasurable of ways possible, for the first time in their lives! All that he requires is one erotic piece of evidence... But, might he fill the inexperienced women with a bit more liquid passion than any of them ever imagined? Nothing is ever as simple as it seems in love and lust...
