

Initiated to the Secret Society: Victorian Girls in Danger

It seemed like an easy job for a steampunk heroine: infiltrate the Singer factory and learn their most precious secrets. But first Meg has to do the impossible; become the first girl to graduate from the Iron Artificers Society and pass the secret rites of initiation. Meg, who had never bared more than an ankle in public, must now submit to the most intimate invasions, the most secret of tests. And if she succeeds? Will she finally learn the truth about the dark fairy king who visits her in her dreams?
