

Self-Paced Training Kit (Exam 70-667) Configuring Microsoft SharePoint 2010 (MCTS) (Microsoft Press Training Kit)

Announcing an all-new SELF-PACED TRAINING KIT designed to help maximize your performance on 70-667, the required exam for the MCTS certification: Configuring Microsoft SharePoint 2010. This 2-in-1 kit includes the official Microsoft study guide, plus practice tests on CD to help you assess your skills. It comes packed with the tools and features exam candidates want most - including in-depth, self-paced training based on final exam content; rigorous, objective-by-objective review; exam tips from expert, exam-certified authors; and customizable testing options. It also provides real-world scenarios, case study examples, and troubleshooting labs for the skills and expertise you can use on the job.

Work at your own pace through the lessons and lab exercises in the official study guide. Coverage includes installing and configuring a SharePoint environment, deploying applications, and managing and maintaining a SharePoint environment. Then assess yourself using practice questions on CD, featuring multiple customizable testing options to meet your specific needs. Choose timed or untimed testing mode, generate random tests, or focus on discrete objectives. You get detailed explanations for right and wrong answers - including pointers back to the book for further study. - making this kit an exceptional value and a great career investment. A Note Regarding the CD or DVD Assess your skills with practice tests. You can work through hundreds of questions using multiple testing modes to meet your specific learning needs. You get detailed explanations for right and wrong answers including a customized learning path that describes how and where to focus your studies. For customers who purchase an ebook version of this title, instructions for downloading the CD files can be found in the ebook.
