

## Kissing Coach (Erotic Romance) (Runaway Lies)

Sexy hotel owner Devin Nelson stole my heart in this hilarious stand-alone romance from the NYT bestselling author of the Peaches Monroe series. A touching and hot story of first love. Personal style coach Feather swore she wouldn't get physical with a coaching client ... again. Along comes Devin Nelson. He has sexy, chocolate-brown eyes that are hiding a painful past. All he asks is for Feather to help him get over his fear of kissing. They agree on some ground rules to keep it strictly professional, but Feather's hands and body have a mind of their own. **WARNING:** This erotic romance novel is intended for an 18+ audience.
