

Hunting For A Mate (BBW Shifter Menage Romance)

I looked up into his golden eyes. He didnt have to say anything. I brought him to my mouth. This was just supposed to be a fun train trip through Norway. A break from all the bullshit back home. But these two gorgeous stud Shifters took notice of me...Oh God, what am I doing?! I watched my pack mate take her from behind. Despite his frantic thrusting, she still sought to serve her Alpha. Good girl... It wouldve been a disgrace to return home without finding a mate. Sven and I had been all over Europe looking for just the right girl. Now that weve found her: petite, curvy, beautiful. Theres just one thing left for us to do to bring her into the pack. Over 8,000 words of a big beautiful woman being taken roughly by an alpha male shapeshifter and his omega pack mate.
